Foundational Principles for Teaching Grammar to ELLs

Several foundational principles underpin effective grammar instruction:

1. Contextualize Grammar Learning

- Present grammar in meaningful contexts rather than isolated rules.
- Use authentic materials, such as dialogues, stories, or real-life situations, to demonstrate grammar in action.

- Contextual learning helps learners understand how grammar functions within communicative purposes.

2. Focus on Communicative Competence

- Prioritize grammar that supports real-life communication over rote memorization.

- For example, when teaching the past tense, show its form (regular and irregular verbs), explain its purpose (to indicate completed actions), and provide real-life scenarios for practice.

5. Scaffold Instruction

- Break down complex grammatical concepts into manageable steps.
- Use visual aids, charts, and models to support understanding.
- Gradually increase difficulty as learners gain confidence.
